Conservation Event for March 5<sup>th</sup> at Alamo Lake.

Yes, we are going to help cleanup at Alamo. State Team members you are required to attend this event so clear your calendars.

Open Tournament for March 6<sup>th</sup> at Alamo.

Date is set and we will already be there for the cleanup on Saturday.

We will not be able to expand to include a "Team Format" this year due to the extra workload it would present to the existing board. We will host 3 "Open Tournaments" and lay the foundation and set members to facilitate the "Team Format" for 2012. The latter two dates are TBD in attempt to avoid schedule conflict.

**REMEMBER TO MARK YOUR CALENDARS FOR C.A.S.T. !!!!**

Please contact Dave Hagan to volunteer for this awesome event.

Floor is open for discussion

A youth executive board was discussed and how Wayne and Scott can be assisted to better the youth program. Several ideas were suggested as to facilitate a stronger youth organization.

More information needs to be requested from the Youth Director to make sure current suggestions do not undermine what has been developed thus far. The Youth Program will need to organize fund raisers to meet their budget.

Dues for 2011 should all be in for each of the clubs and all members. Any member who has not yet submitted their dues may do so by downloading the form in the documents area and mailing it to The Bass Federation – AZ, P.O. Box 1505, Tempe, AZ, 85280-1505

The Claim Jumper fund raising night was poorly supported. Thank you to the Federation folks that had a great meal and participated. The event itself is designed to have non-members of an organization patronize the establishment versus having only members contribute.

Attendees; Bill P (Sag), Larry H (Cyn), Allen W (Sag), Jeff E (Sag), Marty H (Gil), Athena H (Gil), Jim F (Sag), Greg K (Cyn)
